through the Lewisham
Food Growing Network

20

volunteers trained in
Food Safety Hygiene
level 2

17

food hubs
supported in
Lewisham

1

Food Growing Officer
recruited

Key achievements

- 1.** Lewisham Community Gardens booklet created - 27 gardens included
- 2.** Lewisham Open Gardens Spring & Summer - 12 events across 10 gardens
- 3.** Developed best practice guide on catering procurement for schools
- 4.** 1 Grow to Give campaign linking allotment growers to food aid groups
- 5.** 1 Food Map created - 228 entries including markets, wholesalers, Right To Grow, community kitchens

Our top 5 priorities

- 1.** More support for growing locally
- 2.** Food procurement to support sustainable local food provision
- 3.** Tackling the climate emergency by supporting locally grown and sourced seasonal food
- 4.** Supporting food growing in schools
- 5.** More action on food waste

Thank you to all our network members supporting work to transform the world of food in Lewisham over the last year.

Especially our Steering Group members: Cummin Up, Kitchen Buddy, RMUK Wellbeing, Lewisham Council, Lewisham Local, The London Nutritionist, Andrea Zick
